INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sir:-

You have on file in this office application #13968 for a share of the money appropriated for the Eastern Cherokee Indians in which you state that your father was Lar-ciller and your mother Nellie and your grandfather on your father's side Gah-hi-hio--at least, that is the nearest I am able to decipher it.

You will have to furnish this office with the correct names of your grandfather and grandmother on your father's side, for the reason, as you state, your father was not born in 1841, and, therefore, he could not have been enrolled at that time. Also give the names of any uncles and aunts who were sisters and brothers of your father, and if they are living and have filed applications give the numbers of their applications. There is a person now residing in 1841, and is that person your grandfather? I repeat that you state that your uncle's name was Gah-hi-hio--that is, you mention your grandfather's name as Gah-hi-hio. Please give us the names of all your children, and their names and their present addresses as a family list.

Respectfully,

January 20, 1904.

Mary Catharine Anderson,
Shole, N.C.

Sir:-

You have on file in this office application #18972 for a
copy of the record as related for the Eastern Cherokee Indians
in which you state that you claim through your mother, Sarah
Hendrix, nee Morgan, who was the daughter of George Washington
Hendrix, and, under question #1, you state that your mother, Sarah
Hendrix, was a daughter of Wesley Morgan.

I wish to advise that the name of Wesley Morgan, or that of
Sarah Hendrix, or that of George Washington Hendrix,
does not appear upon the roll of 1835 or 1851. Please inform

me if the law were not enrolled. Were your mother

one of the children of George Morgan? Were any of the

children of George Morgan one of the children of the Cherokee Indians? Were you ever

one of the children of the Cherokee Indians?

Your record will be forwarded.

Respectfully,

Special Agent in Charge.

Sir:-

You have on file in this office application #12995 for a share of the money appropriated for the Eastern Cherokee Indians in which you state that you claim through your father, John Walk, or Jar-wo-a-de-he, and your mother, Polly Walk, or a-ke Go-dar-lar.

I beg to advise that neither the name of your father or your mother appears upon the roll of 1851. In fact, I cannot find the name of Go-dar-lar or Walk on any roll.

Please inform this office if this is the correct way of spelling your parents' Indian names. In what township were they enrolled in 1851 and who were enrolled with them--that is, did you have any brothers or sisters who were born prior to 1831? Were any of your grandparents on your father's side reside in 1851, and, if living at that time, where were they enrolled and under what name? Was your father a full-blood Indian, or was your mother a full Indian and your father a part Indian and your mother a full Indian?

Respectfully,

January 30, 1908.

Nellie Partridge,

Madam:-

You have on file in this office application #12995 for a share of the money appropriated for the Eastern Cherokee Indians in which you state that you claim through your father, John Walk, or Jar-me-a-do-he, and your mother, Polly Walk, or Da-ke Go-dar-dar.

I beg to advise that neither the name of your father or your mother appears upon the roll of 1851. In fact, I cannot find the name of Go-dar-dar or Walk on any roll.

Please inform this office if this is the correct way of spelling your parents' Indian names. In what township were they enrolled in 1851 and who were enrolled with them--that is, did you have any brothers or sisters who were born prior to 1851? Where did your grandparents on your mother's side reside in 1851, and, if living at that time, where were they enrolled and under what names? Are you a full-blood Indian, or were your parents part Indian and part White or part Indian and part Negro?

Respectfully,

James Miller
Special Commissioner.

My name is Benjamin F. Payne. I am 77 years old. I was born in Monroe Co., and have always lived here. I knew Allen F. Graves, (#16361), also Calvin C. Linderman, (#35631). Calvin C. Linderman and Allen F. Graves, are cousins, the uncle of both. Allen Graves claimed Indian blood through his mother, Mahala ~~x~~ Newman, before marriage. Charlotte Payne was the grandmother of Allen Graves and she was my sister. Mahala Payne was the daughter of Sim Newman who married Charlotte Payne. I claim my Indian blood through my mother Jane Payne, who was a ~~Walls~~ before marriage. My mother was born in Habersham Co., Ga. I have heard her say that she was 67 years old before she died in 1863. She was married in 1811. In 1835 her name was Payne. She was living in Monroe Co. Tenn., in 1835, and in 1851 she was living in the 5th District of Cherokee Co., N. C. I reckon she was about three-fourths Indian. My father ~~bat off xxxxxxxxxx~~ Sol Leaves ear in about 1834 and he as this was a penitentiary offence he led a secluded life for some time. My mother was living in Battle Creek, Monroe Co. She stayed at home with the family. They had the idea that they would have to be moved west if they enrolled and she did not care to do that while my father was gone. In 1851 he lived in Cherokee County. I never heard any reason why they were not enrolled in 1851. I was not enrolled in 1851 because I did not want to be. It had been so long before the Indians were paid off. I did not make any claim to payment in 1851. My mother did not make any claim to payment.

FOR MINOR CHILDREN

Anna E. McCarty

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

Annie E. McCarty.

#13010.

Annie E. McCarty being first duly sworn deposes and says:

My name is Annie E. McCarty, and I live at Jones, La. I am 49 years old. I claim my Indian ancestry through my mother, Dica Ann Lewis. I think my mother was about 50 years old at the time of her death. She died in Fla. in Calhoun County. I myself was born down there, but I do not know just how long my mother lived there. I was always told that my great grandfather, on my mother's side, was 1/2 Cherokee Indian. I think my mother was born in Ga. but I have no knowledge of the County. My grandfather's name was Robert or Bob Lewis. He died in Fla., when I was quite young. I just remember him. I left Fla. and came to La. when I was about 16 years of age. My grandfather Bob Lewis must have been 1/4 Cherokee Indian. His father, my great grandfather, was 1/2 Indian. My mother and my grandfather never got any money from the Government on account of their Indian blood. My mother's sister who raised me, Eliza Jane Lewis, often told me things about the Indians, and that I myself was an Indian by blood. But she never told me just what kind of an Indian. She often told me that I was kin to the Indians. She lived in Calhoun County, Fla.

And this is all,

John, Christian, Jr., Esq.

Yours,

You have on file in this office application #13910 for a share of the money appropriated for the Eastern Cherokee Nation, in which you state that you claim through your father, a son of John, Christian, Jr., and who married Van Buren McCallister, and that your father was a half-breed Indian. Please inform this office to what tribe of Indians he belonged, and where he resided in 1830. Why were your people not enrolled in 1871?

Was your ancestor a Creek Indian? Your application as filed gives us no information as to your Indian ancestors, and it will be absolutely necessary for you to furnish all the information requested.

Respectfully,

Special Commissioner.

Merrill M. Taylor being first duly sworn deposes and says

My name is Merrill M. Taylor, and I live in Minden, La. I am 38 years old. I claim my Indian descent through my mother, Rebecca J. Monk. She died when I was a baby at Homer, La. I think my mother was about 35 years old at the time of her death. She was born in Harris County, Ga. She came west about 1848 with her mother and father. My mother got her Indian blood through her father, Merrill Monk. He was born in 1805, near Darlington, S.C. We always understood that he was 1/4 Cherokee Indian. He died here in La. 1879. We never heard of mother or grandfather ever getting any money from the Government on account of their Indian blood. Grandfather, Merrell Monk was know as captain Monk, he was under Jackson in the Fla. war of 1835. My grandfather's mother was a Miss Flowers, she was married near Darlington S.C. Grandfather has two daughters living, Mrs. Nettie Brown, at Arizona, La. and Mrs W. H. Palmer at Arizona, La. also. They are very old ladies now. They say that Merrell Monk had always claimed to be of Cherokee Indian descent. Grandfather, Merrell Monk, was born near Darlington S. C. and went with his parents to Harris County, Ga. when he was a baby.

Sept. 1st, 1909.

Merrell M. Taylor,
Minden, La.

Sir:

Replying to your telegram of Aug. 20th, 1909 you are advised that your claim was rejected for the reason that you failed to produce proof that your ancestor was a party to the treaty of 1835-6 and 1846, nor does it appear from the testimony or your application that the ancestor through whom you claim ever lived within the Cherokee domain. The facts necessary to be established in order to entitle a party to participate in this fund are set forth in the enclosed letter.

The time for filing exceptions to my report has been extended to Oct. 30th, 1909.

Very respectfully,

Special Commissioner.

SUPPLEMENTAL APPLICATION

OF

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

App. #13038.

November 29, 1907.

Julia Edwards,

Pawhuska,

Oklahoma.

Madam:-

Replying to your letter of November 21, 1907, relative to the Eastern Cherokee enrollment, please state the exact date on which each of your children were admitted to membership in any one tribe of Indians.

Do you make any claim in your own behalf as an Eastern Cherokee? Is the claim of your children based solely upon the Eastern Cherokee blood of their deceased father, Felix Winton? Was Felix Winton ever enrolled as an Indian?

Very respectfully,

Special Commissioner.

Sir:-

Your letter of May 20, 1907, relative to the Eastern Cherokee fund, is at hand.

You are advised that none of the applications have been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 24,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

NIC.

Dear Sir:-

I have been
anxiously waiting to
hear from you very
soon.
But have not heard a
word yet, so will write
for I think it is time
that matter was being
settled.

My great grandfather

was a Thomas and I
think we ought to have
that money.

My great grandmother
was a Thomas and I think
and it looks like we are
entitled to it.

My mother tried to work
it up in her life time,
and it got about as
far along as we have
than it was dropped.

I hope such will not
be the case after we have
it so much trouble
by the way.

and at some expense
too.

Now please write me at
once just how everything
is going.

I moved out in my
house and my children
too. I will appreciate
and answer very much.
I have done everything
that lies in my power
to get my part of the
money, and I hope it
will not prove a failure.

Very respectfully,

Dear Sir:-

Your letter at hand received just to-day. And in reply will say I do not claim to be related to the Eastern Cherokee Indians only by or through, Donahoo, Bettie Pledge Poinceter, and Thomas.

Thomas was enrolled in 1833 and 1838 or about ~~through~~ that time.

I am the great great grand daughter of the

Indian Chief Donahoe.
And am therefore a
descendent of the Eastern
Cherokee Indians.

I am very anxious to
hear how everything
is going, and I do hope
we will be successful
and not have long to wait.

Any favor will be very
much appreciated.

Sir:-

You have on file in this office application #13061 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Sarah Addison, who was the daughter of John Presley.

I beg to advise that the name of Presley does not appear upon the roll of 1835 or 1851. Please inform this office whether John Presley was a full-blood Cherokee Indian. If not, to what race other than Indian did he belong--that is, was he of Indian and white blood, or Indian and Negro blood? Was he or your mother at any time held as a slave by the Eastern Cherokee Indians? Please give a short history of your Indian ancestors, stating why they were not enrolled in 1851 and 1855.

You have on file in this office application #13068 for a share of the money appropriated for the Eastern Cherokee Indians in which you state that you claim through your father, Broen Crump, and your mother, Charlotte Crump. I beg to advise that the names of Broen Crump, Dun-sone Crump your grandfather, and Sar-sar-mo Crump, your grandmother, do not appear upon the roll of 1881. Please furnish this office with the correct spelling of the Indian names of your great ancestors, and state where they resided in 1881, and where they were enrolled--that is, in what district.

I have been able to find your uncles, Ned and Larry Crump, apparently the brothers of your father, but I cannot find your father's name.

Also please give the correct spelling of your mother's name and your grandmother's name on your mother's side, state where they resided in 1881, and whether they were Eastern Cherokees or "Old Settlers". Was your father an "Old Settler"?
